

Release and Hold Harmless Agreement

The Participant acknowledges the inherent risks which are involved in riding and working around horses. These risks may include, but are not limited to, damage of personal property, illness, bodily injury, trauma, or death resulting from a fall or while riding or being in close proximity of horses.

The Participant further understands that both horse and rider can be injured in the normal course of events while riding, training, or competing, and therefore agrees to indemnify and hold harmless Stable and its employees, and further release them from any liability or responsibility for any accident, injury, damage, or death to the Participant or any property or horse the Participant owns, or to any family member or spectator accompanying the Participant while on the premises of Stable.
